

Class One Weekly Overview of Learning

Autumn Term 2 Week 1 – week beginning 30.10.17

Monday 30th October - Inset

English

This week our English lessons will be cross curricular with History, as we learn about Guy Fawkes and the Gunpowder Plot.

Topic / Science

Our focus for this term is the Weather, so we will begin by naming weather types in the UK and identifying daily changes in weather.

Maths

Our Maths focus is based on continuing to secure our understanding of number – placing and comparing numbers on a number line, counting in 2s (thank you for all the 2p coins!) and 10s, odd and even numbers.
