

Class One Weekly Overview of Learning

Autumn Term Week 6 – week beginning 9.10.17

English

We will be exploring reading skills throughout this week. The focus text is Six Dinner Sid and the children will be looking at how punctuation is used, strategies for reading unknown words and what to do to find out meanings. Please check book bags for an invitation to our picnic – next week!

Topic

This week we will focus on Harvest in preparation for our Harvest Assembly on Friday. I would really like the children to make a Harvest Loaf on Tuesday afternoon. If any parent / carer could help it would be really appreciated.

Maths

The Maths focus this week is addition, number and place value; we will look at using pictorial representations in order to solve number problems.

Science

Last week the children planned their investigation and having now bought the necessary items we will carry this out on Friday.
