

# **Class One Weekly Overview of Learning**

## **Autumn Term 2 Week 4 – week beginning 20.11.17**

**Visit to the cinema to see Beauty and the Beast – Thursday**

### **English**

Lots of Speaking and Listening this week as we continue to not only learn our lines, songs and dances for the Christmas Production, but also make sure that as we lead Sharing Assembly, we speak audibly, fluently and maintain the attention of our audience. We will also focus on the text of Beauty and the Beast before watching the film on Thursday.

### **Topic / Science**

We will continue with our wind socks. If you have any used small plastic water bottles please send them in. This is ongoing!

### **Maths**

After assessing some independent tasks last week, missing numbers and place value will be our focus.
