

Class One Weekly Overview of Learning
Summer Term 5 Week 6 – week beginning 21.5.18
Mrs Tudge is in Uganda – Mrs Hemming will be covering

English

The week will start with a recount of our trip to Hill End. We'll then continue with the text of The Gingerbread Man as a base for our own stories. On Wednesday we will bake our very own Gingerbread Men / Women and even the fox!

Maths

Lots of problem solving this week. Open ended questions with lot of answers that need to be proved. Year 1 will be focusing on number bonds and using these to quickly and efficiently answer number sentences.

Science / Art / D&T

We want to complete any outstanding tasks this week and follow up from our learning at Hill End about the British sculptor Andy Goldsworthy.

**Everyone has worked so hard this term, have a wonderful
half term break and a well-deserved rest!**
