

~ Foundation Stage~

Summer 1 Week 5

Understanding the World:

This week we will be writing our own castle stories. We will do a big shared writing activity to collect some ideas then children will have a go at using some of these items to write their own story.

We will be discussing the exciting Royal Wedding and have our own class celebration on Friday, we might even have a go at our own role play wedding which I'm sure the children will enjoy!

Please look out a letter about the **WOW** next week. As as part of our end of topic we plan to have a Banquet on the afternoon of Thursday 24th. More details to follow.

WOW Slips:

We have wow slips in the classroom by the door. Please pick some up when you are next in. It is a great way to share achievements (Riding a bike, getting dressed independently or setting the table at home) we share them with the class then display them on the WOW board.

Homework:

Thank you for your continued support with this. Below are some photos of the castles children made as part of the homework, we were so impressed! Thank you to everyone who made a castle. We have some in class if you would like to pop in and see.

Foundation Phonics: This week we continue to recap the phonemes we have learnt so far and all of the tricky words. We will focus on using these in our writing. Please use the letter rhymes we sent home a week ago, children really enjoy saying the rhymes as they write and it helps to get the formation right now.

Maths: This week we will continue to consolidate our learning of counting in 2's 5's and 10's. We will recap odd and even numbers and use all this knowledge to tackle halving and doubling problems.

Bunnies

Letter of the week : i

Colour of the week: Orange,

Number of the week:6

N2 - those *starting Foundation in September*. We will continue to practise blending sounds orally; games like I spy are great for initial sounds. We will be singing songs and learning letter rhymes and names to the new letter of the week

N1- This week children will be playing lots of fun parachute games, singing songs such as the wheels on the bus and practicing counting in some silly songs and games. We will also listen to each other when discussing our weekend news.
