Friday 8th January 2021

Dear Parents,

Thank-you to everyone who has sent us such lovely messages of support, encouragement and thanks. They have kept us going and been a big boost to our energy levels.

The staff and I have reviewed this week and agreed that we will continue with the way we have been working these last couple of days, with just a few 'tweaks. Overall, we have been thrilled with the level of engagement and participation from the children.

A couple of points for next week:

- By 7pm on Sunday evening the class Online Learning Timetable for the whole week will be posted on Google Class, along with any worksheets needed for Monday. We hope this will enable families to plan for the week
- By 7pm (Monday to Thursday) we will post the work for the following day on Google Classroom
- The timings will be marginally different to this week but not by much
- Some classes will need to turn on the Google Stream and/or Chat to help with the teaching and learning
- Other, class specific details will be shared by the class teacher on Google Classroom, if necessary
- If your child is not able to attend 'Home School' because they are ill, please email the Class email (not office)

A couple of things to tell and then monitor the children for:

- The Online Learning is 'School at Home', so the teacher is expecting the same standard of work and behaviour required in school
- Google Stream and/or Chat is only to be used for 'learning'. There will be consequences for children who consistently use the Chat for other things

A couple of reminders:

- For teaching and learning questions, please email the class email address
- For general enquiries, please email the school office (the phones will not be manned during the week)
- For technical IT issues/problems, please contact 123ICT not the class teacher

Our aim for next week is to 'fine tune' the provision we have delivered this week. We have been delighted with how well it has been received by parents and will continue to strive to deliver the very best provision for your children.

Have a lovely weekend.

Andrew Denham
