Special Educational Needs and Disability: The **Local Offer**

The Code of Practice for SEN and Disability (2014) set out guidance on how the needs of children and young people with SEN or disability should be met. The **Local Offer** for SEN and Disability (SEND) brings together information about education, health and care services for children and young people from 0 to 25 with SEND. The **Local Offer** tells you how this is done in Oxfordshire, gathering together in one place the information, advice and sources of support that parents, children and young people will find useful.
