

Class One Weekly Overview of Learning

Spring Term 4 Week 5 – week beginning 19.3.18

YEAR ONE SHARING ASSEMBLY THIS FRIDAY – hope to see you there!

English

This week we will be completing our shape poems and focusing on speaking and listening in order to prepare for leading the sharing assembly on Friday.

Maths

Statistics is our focus this week, collecting data and making tally charts and bar charts.

Topic / History

We are completing our topic of explorers this week. The children will be preparing to share their learning with you on Friday.

Art / Science

Our seeds are now beginning to germinate and the children are continuing to observe, draw and record their findings.

This week is the launch of Science week; we will be building bridges from straws and carrying out some fun experiments.
