

Class One Weekly Overview of Learning

Summer Term 6 Week 3 – week beginning 18.6.18

School Photos – Tuesday 19th June 2018

English

This week we will begin to explore the characters and settings in our new text – The Man whose Mother was a Pirate. We will also be preparing for the Summer Festival and making posters to advertise our KS1 stall.

Maths

Another week of Problem Solving and Reasoning, this was quite tricky last week so we are going to continue to explore ideas once again. We will also be concentrating on money so that our KS1 stall makes a profit at the Summer Festival.

Science

The children will design a bug hotel and work out what they will need to encourage their choice of hotel guests.

RE

We will continue our learning about the Jewish Faith with a focus on Shabbat. I think the children all enjoyed tasting challah bread last week.
