

Class One Weekly Overview of Learning

Summer Term 6 Week 8 – week beginning 23.7.18

LAST PART WEEK OF THIS ACADEMIC YEAR!

English – Poetry

We will be exploring performance poetry and learning fun ways to deliver poetry to an audience.

Reading over the Summer

I will be ensuring that all children come home with a reading book for the Summer, please try to read every day with your child. Five minutes each day has a marked positive impact on learning – reading really is key to success across the curriculum. The Library is a fun and free place to visit with an endless supply of books for you to borrow – please try to include a visit in your holiday plans!

Maths

Lots of maths challenges aimed at all abilities and covering all areas of the maths curriculum.

Art

We will add to our habitat collage based on the sea and sea creatures.
