

Squirrel Class Weekly Overview of Learning

Autumn Term Week 3 – week beginning 17.9.18

English

We are linking our English learning this week through our value of the term – care. There will be lots of drama and speaking activities before capturing our ideas on paper.

Topic – Fossils and Bones

We are looking forward to a visitor to our class on Monday afternoon to teach us more about fossils.

Maths

Our maths focus this week begins with number and place value, progressing to using number bonds and then beginning to explore the use of inverse operations.

R.E.

This term we are looking at leaders. What is a leader? What makes a good leader? We will then begin to look at leaders in the Old Testament and learn to re-tell some of the stories from the Bible.

P.E.

We will continue to deliver REAL PE (indoor) and outdoor PE with Ignite sports. Please make sure that your child has a NAMED PE kit in school, this should remain in school for the term – Thank you!
