

Squirrel Class Weekly Overview of Learning

Autumn Term Week 4 – week beginning 24.9.18

English

Our English learning this week will focus on speaking and listening as we prepare for leading collective worship this Friday. Invitations to attend will be in book bags on Monday – we would love to see you there!

We are also writing thank you letters as we really enjoyed our afternoon learning more about fossils from a local expert.

Maths

The emphasis will be on adding – number bonds, adding by counting on and learning strategies to work out answers quickly and efficiently. We will also be increasing our knowledge of mathematical vocabulary.

Topic / History

The children are all really enthused by our topic this term – Fossils and Bones – so lots will be happening across the curriculum.
