Stanton Harcourt School

Dear Parents and Carers,

As part of a Forest School Project, we plan to take the children to the woods in the manor, on a Friday morning. Donna Kowalski who is Forest School trained, will be joining the children along with Mrs Pascoe, Mrs McKay and Mrs Holt. Examples of activities planned; den building, mini beast hunting, leaf and bark rubbing. Children will also be provided with a biscuit and a hot chocolate during the session. We believe it is important to give children the unique opportunity of experiencing first hand, play and learning in a controlled outdoor environment. Forest School is the name for an approach to educating children in the outdoors on a regular basis. An integral part of the Forest School experience is that children will experience the outdoors in all weathers. With the exception of very high winds and thunder storms.

To help achieve this, please could children have trousers, a long sleeved top and wellies in school. These can be kept on their page in a labelled bag.

If you have any questions about Forest School, please feel free to approach a member of our staff who will be able to help you.

Kind Regards,

Ellie Pascoe
