

Squirrel Class Weekly Overview of Learning

Autumn Term 2 Week 1 – week beginning 29.10.18

Inset – Monday 29th October 2018

English

Although this term is mostly about our Christmas Production, this week we are going to look at a folk tale from India. The Tiger Child will be our inspiration for drama activities, performing and speaking out loud.

Maths

This week we are concentrating on shape and finding fractions – $\frac{1}{2}$, $\frac{1}{4}$, $\frac{3}{4}$ and simple equivalent fractions, e.g. $\frac{2}{4}$ is the same as $\frac{1}{2}$. Shapes are all around us and we will be looking for, and identifying simple shapes around our school.

Science

Our focus for this term is Wild Weather, looking at the weather forecast for this week we will have first hand experience of how our weather changes throughout the seasons.

Homework

No LSCWC spelling homework for this first week back, but please encourage your child to use the spelling patterns learned during Term 1.
