

# **Squirrel Class Weekly Overview of Learning**

## **Autumn Term Week 6 – week beginning 8.10.18**

### **English / RE – Harvest**

Funnybones – We are going to complete our work using this text by writing story openers. The remaining part of this week will be dedicated to learning about Harvest. Squirrel class will be learning a poem which we will perform during our Harvest Festival in Church on Friday morning.

### **Maths**

The week begins by working on number and writing numbers as numerals and in words. We are then continuing with subtraction and checking answers using the inverse operation.

### **RE – Harvest**

Although we've made our pretend fossils, we haven't baked yet this term. So the plan is for this to happen on Wednesday (parent helpers please?) As part of our learning about Harvest we are going to make and bake bread rolls.

### **Science – Amazing Me!**

As we are coming to the end of this topic, I would like to ask the children to bring in a baby or toddler photo of themselves, this will be photocopied and the photo returned.
