

Badger Class Weekly Overview of Learning

Autumn Term Week 5 – week beginning 01.10.18

English

This week in English we are bringing together all our hard work on creating our myths by refining and writing them up. We will also be doing some outdoor story telling in the nature garden.

Maths

Badger class will be using all their knowledge of place value to answer some tricky word problems. Place value is key to further mathematical understanding so this is a really important week!

Topic / History/ RE

This week will be continuing our work on the ancient Greeks by creating a true/false quiz about the daily lives of the Greeks. We will also be thinking about achievement and making a whole school display.
