

Squirrel Class Weekly Overview of Learning

Autumn Term 2 Week 5 – week beginning 26.11.18

English

This week we are concentrating on putting our Christmas production together, lots of the children already know their lines so we can begin to act and learn the songs and dances. We are also writing invitations to watch this tinsel-tastic tree-mendous performance – please make sure that you keep Monday 17th December (afternoon) and Tuesday 18th December (early evening) free.

Maths

Our Maths this week is focusing on subtraction and checking answers using the inverse operation.

Science

We will be watching a weather forecast from the BBC and begin to look at the subject specific vocabulary that we will need in order to give our own imaginary weather forecasts.

On Thursday we welcome Radio Oxford into school, who will be recording the children singing two Christmas songs. More details will follow in order for you to listen to this over the Christmas period.
