

Squirrel Class Weekly Overview of Learning

Autumn Term 2 Week 2 – week beginning 5.11.18

English / RE / History

This week is very cross-curricular – at the start of the week we will focus on Guy Fawkes and the Gunpowder Plot. On Wednesday we will learn about Diwali and then move our focus onto Remembrance Day. This year Remembrance Day takes on an added significance as the centenary of the culmination of the First World War. Speaking and listening skills will be important as we continue with auditions for parts in our Christmas Production.

Lots of stories this week with a focus on fictional wolves. Are wolves really bad in picture book stories or are they just misunderstood?

Maths

Our Maths focus continues to be fractions, but this time finding a fraction of a number. We will also continue to look at inverse operations and show an understanding of how multiplication and division are linked.
