

**TERM 1** - We have really enjoyed the first term of Forest School.

We've played games, hunted for bugs, painted, climbed trees and read stories under the trees – to name only a few things!

It's been lovely seeing how the woods are changing through the season, there were certainly a lot more leaves on the ground this week and all the rain last week resulted in the moat being very high!

We had a great last session which saw us going on a Bear Hunt. We enjoyed 'splashing' through all the leaves and 'swishing' through the grass.

Everyone is excited to find out what we will be doing next term

A huge thank you to Donna for all her time and to FOSCH for all the fundraising for our equipment.
