

TERM 1 – It's been great being back in the woods again with Year 1.

We've had such a busy term learning lots of new things in our class, with Friday afternoon seeing us exploring the woods.

We've enjoyed singing songs, climbing trees, playing games, swinging in the hammock and making up stories using objects found on the forest floor – what brilliant imaginations we have!

It's wonderful to hear the rich and varied vocabulary used in the woods which is why Forest School is so important.

Everyone is excited to find out what we will be doing next term and seeing how the woods will change as winter arrives – remember warm clothing next term Year 1's.
