

Squirrel Class Homework

Homework will be given out each Monday and should be handed in the following Monday.

Each week there will be five spellings to learn, they should be practised every day using the method of Look Say Cover Write Check. Turn the sheet over and now try to write sentences using your spellings. Take care to make sure that you have spelt the words correctly.

As part of the homework for Squirrel Class we would ask that you listen to your child read at least five times every week. This need not take long but five to ten minutes each day will make a huge difference to their confidence and understanding. It is also such an enjoyable thing for both parent / carer and child – enjoy this special time together.
