

Squirrel Class Weekly Overview of Learning

Autumn Term 2 Week 6 – week beginning 3.12.18

English

This week we are writing to Father Christmas, fingers crossed that he may find a few minutes in his busy schedule in which to reply. The Year 2 children will be learning to use commas when writing their lists and the Year 1 children will concentrate on remembering finger spaces, capital letters and full stops.

Please look in book bags for your invitation to watch our tinsel-tastic tree-mendous Christmas performance: Baubles! – Monday 17th December (2pm) and Tuesday 18th December (6pm). We look forward to seeing you all there!

Maths

The focus continues to be on addition, subtraction and using the inverse operation as well as learning about ordinal numbers.

Science

This week we will be presenting our very own weather forecasts, using topic specific vocabulary and our knowledge of places within the United Kingdom.
