

Squirrel Class Weekly Overview of Learning

Spring Term 3 Week 2 – week beginning 14.1.19

Value of the Term – Equality

Topic – Bright Lights, Big City / Geography / Art / D&T

The children are already excited by our new topic. Enjoy sharing their learning as they have written questions to which they would like to find out answers. Google search and reliable websites have been invaluable in this. They will begin to construct a London landmark of their own choice.

English

Katie in London – This text will be the focus of our learning for our new topic. This week we will listen carefully to the story and after some drama activities begin to write our own story opening.

Maths / Computing

Last week the children really enjoyed using PiXL times tables, their personal log in is in the front of their reading journal. If you have a computer, tablet or phone please encourage them to have a go at home – it's great fun!

Year 1 are going to be showing that they can apply their learning of doubles in order to add three numbers together efficiently and Year 2 will continue to draw their own number lines, this time to subtract a 2-digit number from a 2-digit number.
