

fun packed term we have had!

We've really got to know the woods this term and learn how fun Forest School is.

The woods seem so much bigger since all the leaves have fallen, it's like a different place.

Even with all our Christmas fun at school we've still make wooden necklaces, played with superheros, done some chalk drawing and enjoys lots of warm hot chocolate!

Everyone is excited to find out what we will be doing next term

We couldn't do this without Donna so a HUGE thank you! Forest School is such an important activity for the children as they get to discover things they wouldn't whilst in a classroom and the skills they learn are so key, especially at this young age.
