Spring Term 1	Home Learning Menu	

Please have a go at one of the activities each week. You can either bring in work or photographs of what you have done. Homework will be collected each week on a Thursday. House points will be awarded for effort and enthusiasm.

Our expectation is that each child will read 20 minutes per day. They must practice their spellings and timestables 2 to 3 times per week. Logins for Timestables.co.uk and Spelling Shed are in the Home Learning books.

Week 1	Week 2	Week 3	Week 4	Week 5	Week 6
Spelling Shed Words where 'au' makes an /or/ sound applaud audience author launch haul August automatic cause autumn astronaut	Spelling Shed Words ending in '-tion' migration invention nomination communication injection stagnation hesitation action completion selection	Spelling Shed Words ending in '-ssion' obsession omission admission concussion discussion confession permission impression procession expression	Spelling Shed Words ending in '-cian' politician beautician physician dietician mathematician optician magician electrician musician technician	Spelling Shed Words that are adverbs of manner curiously reluctantly victoriously seriously generously gently unexpectedly quickly courteously furiously	Spelling Shed Words that are homophones whose hear scene who's here heel heal effect affect seen

Geography - Field to Fork Where Does It Come From? Look in your kitchen and pick 5 foods. Find out which country they come from and mark them on a world map.	Science - Animals Including Humans Animal Grouping Poster: Sort animals into groups (mammals, reptiles, birds, etc.) and explain how you know where they belong.	English - Charlie & The Chocolate Factory Chocolate Instructions: Write clear instructions explaining how to make chocolate. Remember time words, bossy verbs, and numbered steps.	English - Charlie & The Chocolate Factory Invent a Sweet: Design a brand-new chocolate bar. Draw it, name it, and write a persuasive description just like Willy Wonka would!
